

# ULTRA KE-5 KEYLESS ENTRY

This series offers the convenience of an **ADVANCED KEYLESS ENTRY SYSTEM**. This includes such features as door lock, door unlock and trunk release. There is a Starter Disable Protection System to prevent vehicle theft and much, much more!

**HIGHEST QUALITY:** As with all Ultra Start products, we have made no compromise when it comes to quality. The KE-5 offers excellent value without any sacrifice to quality and durability. All Ultra Start products are guaranteed as long as you own your vehicle.\*  
(Ask your dealer for details.)

**MORE FEATURES:** The Ultra Start KE-5 offers all of the features you need at a price you can afford. This winning combination gives you the best possible value in convenience and protection for your vehicle.

**USER-FRIENDLY:** Unlike many keyless entry units on the market, the Ultra Start line is very user-friendly. The remote buttons are marked with clear symbols making the remote easy to use and even the advanced features and operations user friendly.
