

# ULTRA 441 ALARM

This series offers the protection of an **ADVANCED VEHICLE SECURITY SYSTEM**. This includes such features as a Super Loud 6 Tone Siren to warn even the boldest of thieves. There is a Dual Stage Impact Sensor to detect tampering with your vehicle and a Starter Disable Protection System to prevent vehicle theft and much, much more!

**HIGHEST QUALITY:** As with all Ultra Start products, we have made no compromise when it comes to quality. The 441 series offers industrial rated components and has been engineered to withstand the most extreme conditions our climate can present. All Ultra Start products are guaranteed as long as you own your vehicle.\* (Ask your dealer for details.)

**MORE FEATURES:** The Ultra Start 441 Series offers a very complete list of advanced features and options, providing you with one of the most advanced security systems on the market.

**USER FRIENDLY:** Unlike many alarms on the market, the Ultra Start line is very user friendly. The remote buttons are marked with clear symbols making the remote easy to use and even the advanced features and operations user friendly.
